

The institute has its vision to prepare teachers and teacher educators who are motivated towards introspection and aimed to self-learning with long cherished humanistic values, professional ethics and to lead professionally successful lives enriched with the love of learning. The institute imparts value based, world class education for making a positive contribution in society and Nation through excellence in the core and emerging areas of education. The pupil teachers are being trained rigorously and trained transform to build them as fulfilling lives radiating integrity and strength of character and sustain purposeful engagement with the world with a balanced perspective. During the school internship and course training they are urged to meet with confidence the challenges they encounter in their lives, ready to accept diversity and capacity to employ technologies .In this context, to sensitize the pupil teachers towards the children with special needs, concept of inclusive education is elaborated to inculcate the social and core values. The institute organizes various extension lectures, special school visits and work in collaboration with the school and nearby villages to develop an insight towards the disabled and socially deprived. Theoretical and practical aspects of yoga and meditation were taught to develop mindfulness in the prospective teachers to integrating mind, body and soul in developing the balanced personality of the teachers. The institute aims to develop a cadre of caring, committed and competent teachers-leaders, capable of conceiving and maximizing student learning and school effectiveness.
