

The pupil teachers are being trained rigorously and trained transform to build them as fulfilling lives radiating integrity and strength of character and sustain purposeful engagement with the world with a balanced perspective. The institute aims to develop a cadre of caring, committed and competent teachers-leaders, capable of conceiving and maximizing student learning and school effectiveness. One priority area and thrust of our institution is to provide to our students opportunities in various sectors along with their regular academic curriculum so that after their graduation or post graduation, they will have the right skills to get employment. In this respect, we are moving forward with passion and commitment. In order to develop endurance for combating stress and to prepare pupil teachers to face the difficulties during the pandemic, institute organized a webinar for the students. To achieve this a virtual event, Spardha-2020 was organized which included poster making, singing, playing instruments, dancing, teaching, yoga and meditation for mindfulness, gardening and preparing teaching-learning material. To teach the students joyful learning a webinar was organized on Puppetry and its integration with teaching and learning. To have experience of real life teaching students were sent to government schools under Milan Partnership between school and Institutions. For development of skill based on the interest of the students a virtual workshop was organized on Tailoring in Collaboration with VENTAL in collaboration with SCERT. The students were also sensitized towards road safety and use of plastic bags by organizing Nukkad Natak in Collaboration with Somarth NGO. Therefore, by conductive such events and activities Advanced Institute of Education, Palwal accomplish its vision and mission in imparting quality teaching and also in imbibing values with holistic development in learners and creating effective teachers.
